

Membership benefits:

- ▲ **Credibility** – Group members are associated with the International Tin Association (ITA) and are supporting its activities, which include promoting tin use, sustainability and responsible supply chain management. Members can use the ITA logo and data on their websites and in presentations.
- ▲ **Visibility** – Promotion through priority in the allocation of speaker places at ITA international conferences and seminars, meetings with producers and investors and prominent positioning on the ITA Website.
- ▲ **Market insight** – Access to ITA’s world-leading tin market intelligence through confidential reports and market briefings. ITA staff will be available on request to help provide input into project feasibility studies.
- ▲ **Special member rates:**
 - ▲ Special delegate rates at ITA conferences and events,
 - ▲ 30% discount on:
 - ▲ The Tin Industry Review
 - ▲ In-depth ITA downstream reports
 - ▲ ITA Cost Model work
 - ▲ Bespoke consultancy work
 - ▲ Reduced rates for any lab testing or analytical work carried out in ITA laboratories.
