

International Tin Conference Industry Tours 2024

Malaysia Smelting Corporation (MSC) have kindly arranged industry tours to their Smelting facility on Monday 13th May and mine facilities on Friday 17th May.

Please register for the tours at the time of registering for the event . Spaces are limited for the tours.

Pulau Indah Smelting facility – Monday 13th May 2024

Malaysia Smelting Corporation (MSC) undertakes its smelting activities at the modern and cost-efficient smelter located in Pulau Indah, Port Klang. The heart of this facility is the state-of-the-art Top Submerged Lance (TSL) furnace, which is capable of converting up to 60,000 tonnes of tin-bearing ore to premium-grade tin metal annually using oxygen enrichment. The installation of 1.26 MWp solar photovoltaic panels at the Pulau Indah facility showcases MSC's strong commitment to sustainability, projected to reduce the Group's carbon footprint by 1,000 tonnes annually.

The smelter tours will take place on Monday 13th May 2024. Groups of 20 will depart the Hilton Kuala Lumpur, see timings below. Tours will be allocated by the International Tin Association and delegates will be made aware of timings as soon as possible.

Tour 1 – Depart 8.30 am, return to Hilton KL at 12.30 hrs

Tour 2 – Depart 10.00 am, return to Hilton KL at 14.00 hrs

Tour 3 – Depart 13.00 hrs, return to Hilton KL at 17.00 hrs

Safety clothing - MSC will provide safety helmet and boots. Delegates are recommended to wear casual clothing, bearing in mind that it will be hot.

Delegates attending the tours are recommended to stay at the Hilton Kuala Lumpur. We have an allocation of bedrooms at the hotel from Saturday 11th – Tuesday 14th May inclusive for this purpose.

Accommodation for smelter tour only

Hilton Kuala Lumpur, 3 Jalan Stesen Sentral 50470 Kuala Lumpur Malaysia

Deluxe Double Room (rates per room, per night)

Single occupancy - MYR 460.00++*

Double occupancy - MYR 500.00++ *

**The rate quoted is subject to 10% Service Charge and 6 % Service Tax, in Ringgit Malaysia. A tax of MYR 10.00nett per room, per night, will be charged at the hotel upon checkout.*

Cancellation policy – rooms cancelled after 11th April will be charged in full

Booking accommodation at Hilton KL

[Click here](#) to book accommodation at the Hilton KL for the Smelter tours only.

Rahman Hydraulic Tin (RHT) Mine – Friday 17th May 2024

Rahman Hydraulic Tin (RHT) mine is Malaysia's largest open-pit hard-rock tin mine located in the northern part of Peninsular Malaysia. Boasting a rich history, it is currently producing over 3,500 tonnes of tin-in-concentrates (2023). At the RHT Tin Mine, MSC's dedication to ESG progress shines through as the company endeavours to achieve net-zero carbon emissions. The possible upgrading of the existing mini hydro power plant and or planting up a new solar generation installation signifies a proactive approach towards greener operations and a more sustainable future. The mine tours take place on Friday 17th May, departing from the Shangri La Rasa Sayang Hotel, Penang. Groups of up to 25 people will be picked up in coaches for a 120 minute journey to the mine facility. Once at the mine delegates will transfer to 4 x 4 vehicles for their journey into the mines. See details of the tour times below.

Tour timings – Departing the Shangri La, Penang at 8.00 am, arrive back at the hotel at 16.00 hrs.

Safety clothing - MSC will provide safety helmet and boots – need to ask shoe size when delegates register.

Delegates are recommended to wear casual clothing, bearing in mind that it will be hot.

If your plans change and you are no longer able to attend the industry tours, please email conferencing@internationaltin.org as soon as possible as demand is expected to be high for the tours.
