

ASIA TIN WEEK

Co-host: *Yunnan Tin Group (Holding) Co., Ltd.*

Platinum sponsor: *Mining Mineral Resources (MMR)*

Wednesday, 6th November 2024

18:30 Welcome Reception and Conference Registration

Thursday, 7th November 2024

Session 1 – A vision for tin

09:00	Unveil the focus of the industry future to 2030 and beyond	Helen Prins, CEO of International Tin Association (ITA)
09:10	Call for collaborator in the face of complex and interconnected opportunities and challenges for tin	Yunnan Tin Group (Holding) Co., Ltd. (YTC Group)
09:15	Highlight the vital role of tin in the move toward a lower-carbon future	Guangxi Huaxi Nonferrous Metals Co., Ltd.

Session 2 – Tin outlook

09:20	Accelerate the high-quality development of China's tin industry	Xuesen Chen, Vice president of China Nonferrous Metals Industry Association (CNIA)
09:45	Megatrends, opportunities, and challenges in the global metals industry	Shuding Kang, Boston Consulting Group
10:15	Global tin market outlook	Huanbo Qin, ITA China
10:40	China tin market outlook	Zheyu Zhang, Yunnan Tin Co., Ltd. (YTC)
11:10	<i>Networking break</i>	

Session 3 – From west to east, looking into futures trading of metals

11:30	<ul style="list-style-type: none">- Create a dialogue between the world's top metal exchanges moderated by experienced trader- Exchange views on positive role of futures trading on market from west to east- Q&A on site to have audience directly engaged with senior futures practitioners	Moderator — Tiger Shi, CEO of Bands Financial Limited Panelist: Yang Liu, Head of China Sales, LME Ye Chen, Director of Commodity Dept. 1, SHFE Xiong Jun Chen, Vice General Manager, YTC
12:15	Lunch	

Session 4 – Resilience of tin supply chain – from mine to smelter

14:00	An overview of tin in Boliva	Mariano Peró T., General Manager, OMSA
14:25	Tin landscape in Africa	Raj Chag, General Manager, MMR
14:40	Meeting the future of tin supply, Australia tin resources introduction	Luna Xie, Executive Director and CEO of Greentech Technology International Limited

Session 5 – Challenges and opportunities for new tin supplies

15:00	Future tin supplies amid supply challenges	Dr. Jeremy Pearce, Head of Market Intelligence & Communications, ITA
15:20	Advancing South Crofty tin mine towards production	Owen Mihalop, CEO of Cornish Metals
15:35	High value, advanced tin projects in Australia and Germany	Tony Truelove, CEO of First Tin Plc
15:50	<i>Networking break</i>	

Session 6 – Sustainability challenges and opportunities in overseas investment and trade – tools, regional focus and regulatory updates

16:10	An introduction of ITSCI, an award-winning multi-stakeholder programme contributing to better governance, human rights & stability of tin and tantalum in Africa	Mickael Daudin, ITSCI Programme Manager
16:30	A latest update on regulatory issues on ESG in the EU and US	Ryan Wen, Sustainability Manager of ITA China
16:45	LME sustainability to support the metals and mining industry	Alice Lim, Head of CEO Office and Corporate Sustainability, LME

Session 7 – In conversation with CEOs

17:00	<ul style="list-style-type: none">- Reveal the trends, constraints and opportunities for tin company and the whole industry globally- Sharing views on potential on tapping resources in existing and new mines	Moderator — John Johnson, Senior Advisor, CRU Beijing Helen Prince, CEO, ITA Panelists — CEO from YTC, OMSA, PT Timah, MMR, Guangxi Huaxi, Thousand Islandand
18:00	<u>Day ends</u>	
19:00	<i>Dinner</i>	

Friday, 8th November 2024

Session 8 – Tin recycling from e-waste and emerging technology for tin use in energy transition

09:00	Innovating for a sustainable future	Dr. Jeremy Pearce, ITA
09:15	Introduction of “Tin Valley”	Georgia Laurie, ITA
09:25	Tin recovery from PCBs	Louis Langlais, SCARCE - CEA/NTU Alliance
09:45	Technology of recycling of tin from e-waste in China	Congren Yang, Central South University
10:05	<i>Networking break</i>	

Session 9 – Global technological update – tin in solder

Moderator: Pu Xu, Shenzhen Fitech Co., Ltd.

10:15	Study on tin-based material applications based on additive manufacturing	Jian Zhou, Southeast University
10:40	Typical reliability of solder materials and their analysis and evaluation techniques	China Electronic Product Reliability and Environmental Testing Research Institute (CEPREI)
11:05	A new soldering alloy of highly reliable low-temperature	William Yu, Alpha
11:30	SMT technology development on the technical requirements and challenges of solder powder	Lei Xu, COMPO
11:55	<i>Lunch</i>	
13:30	<u>Day ends</u>	
13:30-	<u>Social Networking -Sightseeing tour</u>	
21:00	<u>Xitang Town</u> : the ancient Town, with its rich history and cultural heritage, is the birthplace of ancient Wu Yue culture of China.
