# International Tin Conference 2026

19 – 21 May 2026, Melia Seville, Seville, Spain

## What's Happening:

The Conference opens with a Welcome Reception and registration, followed by two days of presentations covering the most important commercial, technical and strategic developments shaping the tin industry. A Networking Reception with dinner will provide further opportunities to connect with peers, and optional industrial tours will run on both the Monday before and the Friday after the Conference.

### The programme will cover the following issues:

Market Trends

Technical Developments

Tin Innovations

Sustainability and Responsible Sourcing

Impacts of Regulation

Future Challenges & Opportunities

## Making the Future: Tin's Strategic Role in a Changing World

### Conference Programme

| Tuesday 19 May 2026   |  |  |
|-----------------------|--|--|
| 15.00                 | <b>Responsible Tin Network Meeting</b><br>Participating members only   | Daniel Zamora,<br>Sustainability Specialist, ITA                                   |
| 18.00                 | <b>Welcome Reception &amp; Conference Registration</b>   | Sponsored by MMR   |
| Wednesday 20 May 2026 |  |  |
| 08.45                 | <b>Session 1: A Vision for Tin</b>   |  |
| 08.45                 | <b>Welcome</b>   | Mariano Pero, ITA Chairman and MD of OMSA, Bolivia                                 |
| 08.55                 | <b>Global Outlook on Critical Minerals</b>   | Chris Van Dome, Head of Critical Minerals Initiative, Chatham House                |
| 09.20                 | <b>Andalusia Government Mining Policy and Critical Minerals</b>  | Jorge Paradela, Minister for Industry, Energy and Mining, Govt of Andalusia, Spain |
| 09.40                 | <b>Metals Perspective</b>  | Javier Targhetta, President Atlantic Copper  |
| 10.00                 | <b>Keynote</b>   | Manuel Alonso, CEO, CRM Synergies  |
| 10.15                 | <b>Tin Market Outlook</b>  | Tom Langston, Senior Market Analyst, ITA   |
| 10.35                 | <b>Q&amp;A</b>   |  |
| 10.45                 | <i>Coffee</i>  |  |
| 11.30                 | <b>Session 2: CEO Dialogue</b>   | Moderators, Lan Gao, ITA China and Helen Prins, CEO, ITA                           |
|                       | <ul style="list-style-type: none"><li>Chris Van Dome, Chatham House</li><li>Juan Luis Kruger, CEO Minsur S.A.</li><li>Raj Chug, MMR</li><li>Mr Sun, Yunnan Tin</li><li>Hajiya Fatima Umaru Shinkafi, CEO Solid Minerals Development Fund</li></ul> |  |
| 12.30                 | <i>Lunch</i>   | Sponsored by Fenix Metals  |
| 13.45                 | <b>Session 3: Sustainability Panel Discussion</b>  | Moderators, Sonia Marsh and Daniel Zamora, ITA                                     |

| <b>11.15</b>                | The Unique Potential of Liquid Tin   | Jon Bøhmer, CEO, Huma Group   |
| <b>11.40</b>                | Low-CO <sub>2</sub> Hydrogen Production via Methane Pyrolysis in Molten Tin  | Raphael Scheiblehner, Research Associate, University of Leoben  |
| <b>12.05</b>                | The Application of Tin in Advanced Water Treatment Processes and Corrosion Control   | Rick Bacon, CEO, Aqua Metrology Systems   |
| <b>12.30</b>                | Lunch  | Sponsored by Falcon Metals  |
| <b>14.15</b>                | Seville Guided Walking Tour (optional extra)   |   |

## Guided Walking Tour – Thursday 21<sup>st</sup> May 2026, 14.15 – 17.00

Join us for a guided walking tour of Seville. Enjoy the opportunity to learn about the city's rich history and culture while networking with fellow delegates. Advance booking required. 28 US\$ fee applies. [Details here.](#)

## Industry Tours

### **Oropesa Tin Development Project & Rio Tinto Copper Mine Tour**

 Monday 18<sup>th</sup> May 2026  07:45 - 19:30 (Tour A)

**ELEMENTOS**  
TOMORROW'S TIN

**Elementos** has kindly offered to host a day-long tour visiting prominent Spanish mining projects. The tour will visit Elementos' **Oropesa Tin Project** and the historically significant '**Rio Tinto Copper Mine**' operated by Atalaya Mining. The Oropesa portion of the tour will focus on what it takes to develop a responsible and modern tin mine within the European Union, we will walk the site and take you through the steps of turning drill holes in the ground through to planning a modern hard-rock tin mine, primed for development. The Rio Tinto portion of the tour will involve a visit to one of the oldest mines in the world (first mined ~3,000 BC), including driving into an active open pit and processing facility. As we travel, we will ensure you take in some historical sites of regional Andalusia and enjoy some classic Andalusian (Spanish) food.

### **Atlantic Copper Industry Tour**

 Monday 18<sup>th</sup> May 2026  08.50 – 14.00 (Tour B)

 Friday 22<sup>nd</sup> May 2026  08.50 – 14.00 (Tour C)

 **ATLANTIC COPPER**  
A Freeport-McMoRan Company

**Atlantic Copper** have kindly offered to **host a tour to their facility based in Huelva** near Seville. The company refines copper concentrates into high-purity copper and valuable by-products, supporting industries from energy to technology. Atlantic Copper is committed to innovation, sustainability, and the efficient use of natural resources. Atlantic Copper is progressing the delivery of its Circular Project, an innovative e-waste recycling facility situated within the Huelva Metallurgical Complex (<https://atlantic-copper.es/en/circular-project/>). Visit their web site: [Home - Atlantic Copper](https://atlantic-copper.es/en/circular-project/). The Tour will include a presentation about the company's activities, a visit to the on-site museum, and a guided tour of the production plant. Long trousers and closed toe, flat shoes are required for the tour.

# International Tin Conference 2026

19 – 21 May 2026, Melia Seville, Seville, Spain

## Registration

| Rates (Currency US\$) | Early Rate -<br>Until 18 <sup>th</sup> February 2026 | Full Rate |
|-----------------------|--|-----------|
| Delegate              | 1725   | 2050      |
| ITA Board Member      | 1525   | 1875      |
| Speaker               | 985  | 1085      |

The above fees are subject to Spanish VAT @ 21%, and do **not** include accommodation or travel.

## Seville Attractions

Seville's top attractions are in high demand and often sell out quickly. Below you'll find highlights of the city's must-see sights—be sure to plan ahead and reserve your tickets early.

### Royal Alcázar – [Visit Website](#)

- A royal palace complex famous for its intricate blend of Moorish, Gothic, Renaissance, and Baroque architecture. Features stunning courtyards, ornate archways, and beautiful tilework.

### Seville Cathedral and La Giralda – [Visit Website](#)

- The largest Gothic cathedral in the world. La Giralda is the former minaret of the mosque that stood here, now serving as the cathedral's bell tower, and offers panoramic views of the city.

### Plaza de Toros de la Maestranza – [Visit Website](#)

- Step into the iconic Plaza de Toros de la Maestranza, Seville's historic bullring renowned for its stunning Baroque architecture, legendary matadors, and captivating bullfighting museum.

### Plaza de España - [Details](#)

- A vast, semi-circular plaza built for the 1929 Ibero-American Exposition. Known for its canal, bridges, and decorative ceramic tiles representing different Spanish provinces.

### Santa Cruz Neighbourhood – [Details](#)

- The historic Jewish quarter of Seville. A maze of narrow, winding streets, hidden plazas, and flower-filled patios.

### María Luisa Park – [Details](#)

- A large public park that contains the Plaza de España. Offers a peaceful escape with gardens, fountains, and ponds.

### Tourist Information – [Visit Website](#)
